New Great Yarmouth Corporation 85, 10/1973

WEX685M was new in October 1973 to Great Yarmouth Corporation where it spent its entire working career.

In 1986 when de regulation happened Great Yarmouth Corporation rebranded as Great Yarmouth Transport.

Fast forward to September 1996, First Bus took over operations and First Blue Bus was formed under the umbrella of First Eastern Counties where 85 remained until withdrawn.

In 1998 it was bought for preservation and was fully restored to Great Yarmouth Transport colours. It passed ownership in 2015/2016 with local owners in the Norfolk area until joining us in March 2023.

WEX685M joined us in March 2023 and will be rallied around East Anglia during 2023.
